

SAFE TRANSPORT POLICY

Skate SA – Bylaw 15

1. PURPOSE

This policy outlines our procedures for safe transport after state trainings, games, competitions, special events, functions and other association related activities where alcohol may be consumed. It represents Skate SA's commitment to its members, volunteers and visitors, acknowledging the role that sporting clubs and associations play in building strong and healthy communities.

This policy will help to ensure we:

- Meet our duty of care in relation to the health and safety of our members, volunteers and visitors who attend any association/club games, competitions, special events, functions and other activities.
- Upholds the reputation of our association, our clubs, our sponsors and partners.
- Understands the risks associated with alcohol use and driving, and our role in minimising risk.
- Educates our members about standard drinks.

2. RATIONALE

Ensuring members, visitors and guests getting to and from association / club games, competitions, activities and events safely is an important part of being a responsible, healthy association/ club.

While **Skate SA** wishes to avoid members becoming intoxicated and notes the recommendation by the National Health and Medical Research Council to consume no more than four drinks in one sitting, as part of Skate SA's duty of care we encourage our members to plan safe transport home. This will reduce the risk of drink-driving, injury or worse.

Alcohol and drugs affect pedestrians and drivers' abilities to stay safe. They affect decision-making, reaction times, speed and distance judgements, concentration, balance, perception and alertness. It can also increase risk-taking behaviour by giving a pedestrian or driver a false sense of confidence.

Sporting associations and clubs such as ours help prevent drink driving related tragedies in the community by improving safety around transport and minimising the risk of developing a drinking culture.

3. GENERAL PRINCIPLES

Skate SA recognises that:

- Drink driving is one of the main causes of road deaths in Australia.
- Driving when over the legal blood alcohol limit is illegal and hazardous to individuals and then wider community.

- Mixing drugs (including prescription medication) with other drugs or alcohol can seriously affect the ability to drive safely.

4. TRANSPORT FOR ASSOCIATION AND ACTIVITIES

This safe transport policy applies for all activities undertaken by Skate SA that involve the serving and/or consumption of alcohol.

We will:

- Promote strategies that encourage members to plan how they'll get home safely before they go out e.g. pre-arranged transport.
- Print safe transport messages on relevant club activity and event invitations or flyers.
- Ensure the MC for events or board/ committee members advise attendees that the association is a Good Sports accredited organisation, communicate the safe transport options and regularly remind attendees to behave responsibly around alcohol.
- Ensure telephone calls can be made free of charge to call a sober person to provide transport from the event or venue.

Where available, we will also consider:

- Use of a community bus (such as council, school or tourist buses) and:
 - The bus or transport provided will be an alcohol-free zone (i.e. no alcohol will be permitted on the bus).
 - The bus will not be used to transport members between licensed venues.
 - People who have consumed alcohol can get home safely from the bus drop off point
- Use a range of taxi or ride share strategies such as:
 - Free telephone calls to arrange a taxi to provide transport from the event or venue.
 - The board/ committee will pre-order taxis to arrive at an event or venue at the conclusion of an event or function.
 - Encourage members to utilise a ride share service.

5. CLUBS WITH A LIQUOR LICENCE FOR ANY ASSOCIATION/CLUB EVENTS OR FUNCTIONS

Skate SA club's that do sell alcohol will promote low alcohol and non-alcoholic drinks as options and available at reduced prices.

Bar staff/ servers of alcohol will encourage members, volunteers and visitors to:

- Consume food while drinking alcohol at the club.
- Consume alcohol in moderation bearing in mind our commitment to the Good Sports program, its philosophies and policies.
- Make alternate safe transport arrangements if they are considered to be intoxicated or at risk of exceeding the legal limit (e.g. free call to a taxi/friend/family
