PRESIDENT REPORT

This year has seen significant challenges for us all. Due to COVID, like other sports the Skate SA community have had to manage the shutdown of sport, the return to sport, and the cancellation of many state and national tournaments.

I have been impressed by the way the South Australian skate community responded to the challenges of COVID. The time and effort you have all put in to keep in contact with your club members during this unprecedented period clearly shows a strong commitment to your members, and the South Australian skating community as a whole.

Together we look forward to next year when we can hopefully return to a more normal structure of club, interclub, state and national programs.

COVID set us immediate challenges. It will also shape our future as we adapt to the new requirements for our community and sport.

It is timely for the skate community in SA to plan for the future. The Skate SA Board have undertaken to develop a new Strategic Plan for Skate within South Australia.

A new Skate SA Strategic Plan will provide a clear direction and operational focus for the next three to five years.

The Skate SA Board believe that with a united voice we can position skate and its disciplines as viable options for people who are looking for recreational and/or competitive activities. Clubs are integral to our future. The Skate SA Board is committed to working to achieve club affiliation across all disciplines.

I encourage everyone who is involved in skate, has been involved or has a view on skate, to participate in the 'Shaping Our Future' activities that invite your contribution to the strategic plan.

During the year we saw the resignation of two board members: Lee McCoy-Travers and Andrew Johnston. On behalf of the Skate Board and community I would like to acknowledge the contribution of Lee during his tenure as President, and Andrew as VP Inline Hockey.

Thank you to the Skate SA Board for your commitment this year: Trish, Carly, Mel, Jenny, Julie, Donna; and to Jackie, our State Development Officer.

The extra work undertaken by Trish and Jackie as they secured and administered the government's JobKeeper and Grants Programs was very much appreciated.

I am buoyed by the passion and commitment to skate across the several disciplines, by the individuals I have met and the clubs that continue to support our state organisation.

Thank you for your ongoing support. On behalf of the Skate SA Board we look forward to working with all of the Skate SA community as we 'Shape Our Future' together.

Wallace Long
President
Skate South Australia

STATE DEVELOPMENT OFFICER REPORT

Over the thirteen years of being employed by either Skate Australia or SkateSA my role has varied from development to administrative, allowing the disciplines (Inline Hockey, Roller Derby, Speed, Artistic & Participation) and their sub committees to take on the development of their specific sports and

therefore ensuring I have time to guarantee that our governance is compliant in all areas, our members are safe and SkateSA applies for all available grants.

COVID-19

In a year where we have all experienced the ordeal of the worst pandemic in a century, I would like to thank our dedicated members for their ongoing commitment and enthusiastic representation of their respective sports. Your hard work, passion and resilience is not only recognised but valued and greatly appreciated. As we all know the 2020 sporting landscape was greatly affected by COVID-19 and only Speed & Artistic managed to host a competition prior to lockdown, as well as SkateSA participating in the Australia Day Parade.

During lockdown the State Office endeavoured to lead the way providing the Office of Recreation, Sport & Racing with our required State Skating COVID Roadmap and circulating various information, guidelines, plans and Safety training courses availability and keeping the necessary records. The State Office also managed to apply and receive a Small Business & not-for-profit grant of \$10,000 to support the operation of the Office.

Team SkateFX and RollerGirl led the way with at home skills/fitness trainings via media videos and many of the other clubs/branches kept their members involved via social media platforms. As soon as the Government allowed sport to restart, all our clubs got busy, completed their COVID Plans and proceeded skating once again with only one club still dormant.

MEMBERS

Although our member Clubs/Leagues have worked hard delivering various forms of roller skating for the community, we have seen a reduction in numbers but the two newest sports – Roller Derby and Participation have both grown extremely well, especially in such a hard time.

Inline Hockey had a 12 month trial period in 2020 for members to join as 'Unattached' as there were no member clubs in South Australia, but due to COVID and no events being held, these members were offered a partial refund.

Speed attended their Nationals in January and have re-introduced 'Quick Kids' post COVID

Artistic continued to provide for their members before, during & post COVID.

It is pleasing to see many clubs adopting the Revolutionise Software package, to manage their clubs, that dovetails automatically with SkateSA and Skate Australia and thereby reducing any doubling up of workloads by our very committed volunteers.

COMMUNICATION /PROMOTION

Although we couldn't get out and skate, the time in isolation was utilised to help promote our sports through newspaper articles, newsletters, Radio, TV, You Tube, Google My Business & numerous social media sites plus it allowed time to update and develop Policies and Procedures.

SUSTAINABILITY

To ensure SkateSA can maintain a State Office we not only received the \$10,000.000 Small Business Grant & Jobkeeper but we also received the 3rd Year Office of Recreation, Sport & Racing Sustainability Grant @ \$10,000 per year.

To run programs and events, we received from:

- ORS & Racing for the 3rd Year Inline Hockey for Girls by Girls Development & Inclusion Program Grant @ \$3000
- The Education Dep't for a one-off Bullying & Prevention Grant @ \$5,000

Other income streams were:

- Fundraising partnership with The Entertainment Book
- Fundraising partnership with the Australian Sports Foundation
- Selling old Skating Equipment
- Hiring out the 'Skateabout' Trailer
- Sponsorship from VIVA Global for State Uniforms

The 2020 Skate South Australia Incorporated Annual report highlights the achievements of our organisation. These results would not have been possible without our valued members, the Board, those who sit on the Sport Discipline Committees and all our dedicated volunteers.

I would also like to thank our partners, including the Office for Recreation, Sport and Racing, VIVA Global and Revolutionise. Without them we could not offer the services that we do.

I would like to finish by especially thanking our members for their ongoing support of Sport SA as their peak body, as the more our skating community band together, the more skating in this state will benefit.

Thank you for your continued support of rollerskating, in all its forms, in South Australia.

Jackie Blyth,
State Development Officer, Skate SA

Artistic AGM to be held prior to the SkateSA AGM at SportSA on 22 November 12:30pm.

No grants received this year (\$5000 grant for RollArt Equipment received September 2019).

No COVID monetary or resource assistance from State Govt / Local Council received.

Membership/Clubs

The Artistic Branch currently has 3 active competitive clubs:

- Team SkateFX
- Skate Crew Artistic
- Gawler Skating Club

GSC and Team SkateFX have seen considerable growth in their Learn to Skate Star Class programs and this in turn will see further growth as the skaters in these groups become club and SkateSA members. We predict that we should see approx 30+ new memberships over the coming months.

Overall Planning for 2020 & 2021

2020

Due to the impact of COVID worldwide this year as with most sports we were unable to host our State Championships, attend Victorian State Championships and the National Championships in Sydney. Oceanias in New Zealand was cancelled, and our two international skaters were unable to attend the German Cup Series in Freiburg and Italy as planned.

From 23 March to the 20 June 2020 our venues were shut and limit on group numbers were in place. During this time, it was great to see our skaters still getting out on outdoor courts, their driveways, and roads to keep up their training.

Our coaches also worked with our skaters online via zoom, video of off-skate exercises to do daily and one on one sessions outdoors. As group number restrictions were extended coaches travelled to various locations to do training with small groups.

We are extremely proud of the effort put in by everyone during this time to ensure some form of training and fitness was maintained. Since June when venues could re-open clubs have resumed training as usual at their venues following guidelines regarding social distancing, and number restrictions.

In September we were able to host our first comp since COVID. Although challenging to ensure restrictions were maintained, by using a ticketing system for attendees, hiring of seating and segregation of skaters/families and with the support of our Artistic community the competition ran smoothly.

Although there is no Nationals this year and therefore no State Team selection the Artistic committee has decided that we will still host a State Championships in November. This comp will be a modified version of our usual States but will still include things such as a March Pass and Opening Ceremony. We feel that even though there is no State Team Selection it will still be beneficial for our skaters especially the younger ones and those that would not normally attend Nationals to have the excitement of a State comp.

2021

Moving forward in 2021, like everyone we hope to see the resumption of travel and easing of restrictions as this has quite an impact on our sport and development.

RollArt Equipment will be purchased and if possible, will be flying in officials and relevant parties to assist with set up and further training on using the system.

Our competition program for the year should return to normal with 3-4 League competitions and state titles as well as attending interstate competitions, Nationals and Oceania's. Fundraising will continue to enable us to subsidise training/travel for our officials and coaches where possible.

We would also like to bring back the "Skate Camp" weekend as in previous years. A great bonding weekend and brings all Art clubs and skaters together.

Throughout 2021 there will be 4 skate workshops held run by our senior coaches. These will be beneficial for skaters and development coaches and anyone interested in starting their coaching journey.

Development of skaters, officials, and coaches under RollArt via seminars, workshops and online learning will continue as directed by World Skate and Skate Australia Artistic.

Skater Development

Our Artistic Clubs all use a slightly modified version of the Skate Stars program for their learn to skate programs. With the introduction of the Roll Art judging system worldwide 2 years ago it

has changed the way we need to coach, skate and judge and our Learn to Skate programs embrace these changes.

Coach/Official Development

Development for our Coaches and Officials is ongoing even for the most experienced due to implementation of RollArt. World Skate are continually revising criteria for accreditations under RollArt which Skate Australia Art are adapting. Our officials and coaches have had opportunity to log in to seminars and online learning from both interstate and in conjunction with World Skate.

It is hoped that in 2021 and once travel is allowed our officials and coaches will again attend interstate competitions and seminars to further their education with RollArt

Volunteer Recruitment & Development

Each club has their own committee and responsible for the recruitment of their own volunteers when required and for when hosting their league comp. At State comps and other events, the clubs and volunteers come together to work as one. We recruit volunteers dependent on event, need and availability. All other roles are subject to accreditations.

RollArt

Artistic skating in SA is still adapting to the introduction of RollArt. We hope to have the new judging system/equipment implemented in SA by early 2021.

An expense of \$13000+ is required for full RollArt equipment and programs as used by other states. As Artistic in SA is smaller and with only freeskating needing the system we have acquired enough funds to implement a smaller scale version at slightly lower cost which will then enable us to still use the judging system which is crucial for our skaters and coaches.

Competitions/Events 2020

Australia Day Parade	26 January
GSC League Comp	1 February
ASVI Victoria Comp	22/23 February
SCA League Comp	7 March
Footwork/Transition Workshop	13 June
Jumps/Spins Workshop	27 June
Artistic Family Fun Skate	11 July
SkateFX League Comp	5 September
Medal Test Day	24 October
SA State Titles	21 November

School Holidays program in all school holidays at the Parks Rec Centre (YMCA program)

Skate Aust Art AGM 8 November (Zoom – Julie attending)

Summary & Successes

Overall, despite the impact of COVID Artistic has adapted and continued to thrive thanks to our clubs/coaches/officials/skaters and families.

We have not seen a decrease in numbers and are looking forward to continued growth and more opportunities in 2021 to enhance our discipline.

The SkateSA Artistic committee wish to thank all our community for their ongoing support.

Julie McCoy-Travers – Artistic VP

PARTICIPATION

Sports Management Committee

The Rollersports discipline of Participation/Recreation currently has no Branch or active executive committee, as there are no competitions held at State or National Level. SkateSA only have 2 Participation Clubs for 2020 – Skate FIT Cru Inc & Rollergirl Fitness Inc. These clubs are the grass roots levels for all the Rollersports offering entry level Participation Development Memberships only. A skater would then be referred to a competition level Club if they wished to further their competitive development.

2020 Highlights

There were a few highlights of the 2020 season, with it being a rather challenging & equally successful year for the Participation/Recreational level. Skate FIT Cru saw their TV segment aired on Inline Plus TV's episode in May, where they invited & united with Adelaide Group Skate (an online community of outdoor skaters). With the impacts of COVID-19 affecting our sport, there were many disruptions to our normal season's activities & growth.

COVID restrictions that led to our indoor venues being forced shut, left many of our skaters with nowhere to skate, others learnt to adapt to outdoor skating. Within those months of indoor closures, our skaters were engaged with skate related material online, with the use of social media, online tutorials, social network groups, & meet ups outdoors to keep them rolling. As our States Restrictions eased, & the indoor venues reopened, we saw Skate FIT Cru return to modified sessions indoors with a COVID safe environment.

They have seen a good growth of new members since reopening their doors, with many thanks to the fast-growing worldwide popularity online during lockdowns. Rollergirl Fitness have not returned to face-to-face training since lockdowns & are unsure if they will return in 2021.

Top 5 Results/Events

As a development discipline of rollersports there are no state teams or competitions of any kind, only club events as follows -

Rollergirl Fitness

- Learn to Skate sessions
- Online Zoom lessons
- Video Tutorials

Skate FIT Cru

- Learn to Skate sessions
- Adults Fitness sessions
- School Holiday "Come & Try's"
- Skate Maintenance sessions
- TV segment aired - highlighting & promoting Rollerskating in Adelaide

2021 Focus

Our 2021 plan is to continue our efforts to strengthen the SkateSA brand & increase memberships in participation across SA.

April School Holiday Skates	Kilburn and Le Fevre on Wednesdays - cancelled Covid-19
Term 2	Tuesdays After School Skate Program Kilburn + Wednesdays After School Skate Program Le Fevre Postponed till Term 3 - Covid Management plans to be put into action
24 May	Returned post Covid-19. No contact - all about rolling
July School Holiday Skates	Kilburn and Le Fevre on Wednesdays
Term 3	RETURN TO PROGRAMS - Tuesdays After School Skate Program at Kilburn + Wednesdays After School Skate Program Le Fevre
2 Aug	LAR Skate Wars event - Team V's Team in fun filled events - Quaddies took the win, 159 to 85
15 - 16 Aug	World Cup 2020 in Canada was cancelled and rescheduled for 2021. Current skaters allowed to remain on the team and play in 2021 event
28 Aug	Roller Disco at Le Fevre Community Stadium #2 2020
30 Aug	LAR celebrated 10 Years with a Friends and Family Bout with our Home Teams. Warrior and GTD Celebrated 5 Years Rolling and were awarded their Golden Roller Shirts
October School Holiday Skates	Kilburn and Le Fevre on Wednesdays
Term 4	Tuesdays After School Skate Program at Kilburn + Wednesdays After School Program at Le Fevre Com Stadium
18 Oct	7 LAR Seniors skated in Light City Derbies 1st Bout for 2020

25 Oct	LAR's Annual Halloween skate party - Over 70 skaters came out in costume
31 Oct	LAR Took part in NEO Teen Takeover at the Art Gallery of SA
1 Nov	Our Rebels Team played against LCD Sabres Rebels took the win 180 - 187
8 Nov	LAR Christmas bout 2020- Home Teams will take to the Track with a Festive Vibe
12 Nov	LAR Black and Blue Friends and Family Invitational Scrimmage 2020
27 Nov	Roller Disco at Le Fevre Community Stadium #3 2020
21 - 22 Dec	Camp Roller 2020
18 Dec	Xmas School Holiday skate - Le Fevre 1 - 3

2021 starts 17th January with our Annual Aussie Day Skate party and registration for new season. LAR's Officials Team the Zookeeperz have regularly supported ALL South Australian Leagues when possible. Due to Covid there has been no travel for our officials or juniors.

Thursday nights are our Scrimmage Training nights at The Parks Recreation and Sports Centre. Friday Development / Team Trainings are Friday at Kilburn Community Centre. Every 2nd Sunday is League Training at Le Fevre Community Stadium.

We have recruited 8 new members and have 4 new skaters doing their come and try at the moment. One of our Goals post COVID was to recruit new members and we are very happy with our result moving into a new year.

We will also see 5 of our seniors age in at the end of this year to transition into LCD in 2021.

Bring on 2021. WE HAVE A LOT OF THINGS TO DO!

2019-2020 has had its ups and downs for our league, though our season has been affected, the way everyone in our league adapted to the changes with COVID did make everything run a lot smoother and on behalf of the RRDL committee we thank you. When the board took over 2yrs ago, we didn't realise how much work we had to do to get where we are now.

This league had to somewhat start from scratch and there have been a lot of "behind the scenes" action that not all members are aware of, but by the power of volunteering, RRDL have managed to overcome quite a number of obstacles and each of us has had to learn a lot. I would like to take this opportunity to remind all members that every person who is affiliated with this league is a volunteer, there are many people learning their roles and improving at this as each day pass's, so your patience and understanding is appreciated. There are approx. 1 million scenarios that we will be presented with, and we will take each one as an opportunity to learn and grow from, so far we are currently at No. 189.

On behalf of all the RRDL Committee we would like to express our utmost gratitude to every member of this league for their contribution towards the growth, the dynamics and good sportsmanship. I would like to thank the RRDL board, for sharing your innovated ideas and taking the time out of your busy schedules to support the league. There are not enough words to describe how amazed and grateful I am for the dedication, compassion and generosity of this great team.

Highlights

The highlight of 2020 was way back in January with our National titles which were held in Dandenong Vic. All skaters did extremely well in their grades with some outstanding results for SA with only a few skaters compared to the bigger states.

Our medal tally for the road competition was Gold 10, Silver 9, Bronze 3.
Our medal tally for the track competition was Gold 4, Silver 2, Bronze 5.
Gold in the Track relay and Silver in the Road Relay for the Ladies.

Top results for 2020.

2020 National Titles
Senior Men 42km Marathon - 3rd place Mikey Bryant,
Masters Men 42km Marathon - 2nd place Martin Wood,
Senior Ladies 42km Marathon - 2nd place Marlie Wood,
Veterans Mens 21km Marathon - 3rd place Stephen Cook.
Open Ladies 5km Road Relay - Marlie Wood & Rhiannon Bryant in a mixed team 2nd place.
Masters 60+ mens - 1st Michael Bryant, 2nd place Stephen Cook.
Junior Men 5km Road Elimination - 1st place Mikey Bryant.
Junior Ladies 5km road Elimination - 2nd place Marlie Wood,
Open Men 15km Elimination - 2nd place Ricky Bryant.
Ladies Open 15km Elimination - Rhiannon Bryant 2nd
Masters 40+ mens 500m - Peter Kupeckyj 2nd.
Masters 60+ mens 500m - Stephen Cook 1st

Our Focus for 2020

To build numbers at the Quick Kids sessions. With the lack of outside safe training venues it is hard to recruit skaters that are just beginning in the sport. Indoor training venues are either expensive to hire or the floor is lacking in quality and size for regular training and racing. The lack of rinks in SA is a huge detriment to our sport as it has no home base. We look forward to 2021 when racing will continue throughout Australia.

Deborah Gobbett	Committee Member

Officials

As of the 1 Jan 2020, inline hockey had 8 referees and 8 coaches all of which, are Skate Australia accredited.

State Titles

A record 77 players all registered and paid their unattached membership insurance for state titles and for the first time was afforded the opportunity to participate in the event for free. Unfortunately, Covid-19 hit hard at this time and we had to cancel the event.

We were hopeful we could reschedule state titles to a later date but that was not to be.

National Championships

As the year has progressed, our National Championships, planned for Logan Queensland in September 2020 was also cancelled due to Covid-19.

Girls 4 Girls Grant

Headed up by coach Bailee Mayor, we are currently in year 3 of a 3 year grant which was received for promoting girls inline hockey. Bailee has been working hard with training sessions and promotions. Workshops for players and coaches will be scheduled over the coming months and finalised by 30 June 2021.

Our Focus for 2020

Sadly, 2020 also saw the two inline hockey clubs in SA, affiliate themselves with Skate Victoria. As a focus for 2020, we would like to build relationships with the new committees from these clubs and work with them to bring them back to Skate SA so we can continue the ongoing representation at a state level for this discipline.

Donna Johnston
Secretary

SkateSA Inc	\$43,805.77
SkateSA Saver	\$7,458.95
Inline Hockey South Australia	\$24,530.82
Rollersports Aust SA Artistic	\$1,907.28
Rollersports Aust SA SkateSA	\$0.00
SkateSA Speed Branch	\$19,920.16

Overview of Accounts

Review of all SkateSA bank accounts by the Accountant, Adam Thiele, from Allied Accounting Group, has now been completed. Attached to this report are the following Profit and Loss Reports as at 30 June for:

- SkateSA
- Artistic Branch
- ILHSA Branch
- Speed Branch

The Auditor's report by Rod Shearing, together with the balance sheet for SkateSA, will be circulated two weeks prior to the SkateSA Annual General Meeting of 22 November 2020.

COVID-19 - JobKeeper

The Association registered with the ATO in March 2020 to receive payments for the position of State Development Officer (SDO) position. The Association was successful and received JobKeeper reimbursement payments from May 2020.

JobKeeper is a wage subsidy, which means it is paid to the employer to help cover the cost of wages paid to employees. To receive the JobKeeper payment:

- Weekly wages for SDO position were required to be recorded direct to ATO via Single Touch Payment (STP)
- Monthly declaration of wages to ATO to receive reimbursement of wages paid to employees

The Fair Work Commission announced at the beginning of July 2020 a 1.75% wage increase with three different dates for awards. Sporting Organisations Award 2010's increase comes into affect 4 February 2021.

The Association registered for JobKeeper extension and is successful with JobKeeper payments to be received until March 2021. As from 28 September there was a reduction in the fortnightly payment with a further reduction in the fortnightly payment from 4 January to 31 March 2021.

Note: to remain eligible for JobKeeper extension one, The Association had to demonstrate that it satisfied the actual decline in turnover for the September 2020 quarter (July, August, September) relative to a comparable period (generally July, August, September 2019).

The Association received cash flow boosts from the ATO to assist with the PAYG payments for the SDO position, as well as a cash boost from the Treasury Department for the running of the business.

ILH Membership Refund

As agreed by the Board, ILHSA SkateSA membership payments are to be refunded to requested members.

Questions

Should any member have a question regarding the reports, please direct your enquiry to the SkateS Finance Officer, Trisha Gundlach, via email at: skatesafinanceofficer@gmail.com (cc in the SDO, Jackie Blyth at: skatesa@skateaustralia.org.au) so that an answer can be provided prior to the Annual General Meeting.

Conclusion

I present the financial year 2019-20 general purpose consolidated Profit and Loss report and the Balance Sheet for SkateSA, Artistic, Inline Hockey and Speed and recommend that these reports be accepted.

Trisha Gundlach
SkateSA Finance Officer

AUDITOR'S REPORT

Skate S.A. Inc.

Independent Auditor's Report

To the members of Skate S.A. Inc.

ABN 25 320 997 062

Scope

I have audited the special purposes Financial Reports being the Financial Activity Statement (Statement of Profit and Loss) and the Financial Position (Balance Sheet) of Skate S.A. Inc. and the attached summaries and notes for the year ended 30th June 2020.

Whilst Skate S.A.'s finances have improved over the past several periods with electronic record keeping they are still operated through several bank accounts. I would strongly recommend that where possible Skate S.A. takes advantage of the electronic system and combines the bank accounts. Through individual electronic program reporting the progressive outcome of the programs will provide a better membership outcome.

The Board of Management is responsible for the Financial Reports. I have conducted an independent audit of the financial reports in order to express an opinion on it to the members and for the Association to meet its obligations under the *Associations Incorporations Act (SA) 1985*.

The audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance whether the financial report is free of material misstatement. The procedures included examination, on a test basis and enquiry, of the evidence supporting the amounts and other disclosures in the financial report, and the evaluation of accounting policies and any significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial report is presented fairly so as to present a view which is consistent with my understanding of the association's financial position, objectives and the results of its operations.

The audit opinion expressed in this report has been formed on the above basis.

In my opinion the general purpose financial statements of Skate S.A. Inc. and the notes appended with the Financial Reports represents a true and fair view in all material respects the financial position of the Association as at 30th June 2020 and its financial performance for the year then ended in accordance with the accounting policies described in the notes to the financial statements and the *Associations Incorporation Act (S.A.) 1985*.

Rod Shearing OAM FIPA FFA
